

New Home Generation, INC.

Deputy Sales Director off site

Jose Heberto Gutierrez Castro and his wife Veronica Dominguez, Royal SUNALIANCE, Agent, T.J. Mexico are the finest examples of Mexican Citizens I ever had the privilege of spending nearly 9 years of my life. It was an honor to share precious moments of my life with Jose "Eddy" my brother in spirit and love as Eddy not only personally cared for me, but I lived in one of three of his homes in Ejido Ursulo Galvan, Ensenada, B. C. Mexico, my home upon return over looking the Ocean.

Eddy's integrity is equal to my own and he is a credit to not only is countryman, but his dear departed mother, a Doctor in her own right when Eddy was growing up in Chuwawa, Mexico during which time Eddy learned to care for the sick Indians and never forgot that compassion and love are the key to success.

As a QUAD of nearly 23-years, an independent and self determined individual, I can tell you that Eddy's strength and perseverance equals none others. His devotion to his family, me included is beyond reproach. One of the finest men I've ever had the honor to know and my entire family here in Oregon are in his debt, and they will all tell you, they felt secure in the knowledge that my Attendant Care provided by Eddy for many, many years equaled none other, the most positive man, less myself that ever lived, my friend and brother for Life.

As a Contractor, Journeyman Carpenter, Electrician, Refrigeration, Air-conditioning, Plumber, Masonry and a Political Accountant, to name only a few accomplished professions, Eddy is a true Professional and entrepreneur.

To have had Eddy on my team was a blessing and when the U. S. Of America ends there collective bickering and comes together to create a U. S. Mexico Guest Program you can bet your last dollar Eddy will be in it because I'll see to it.

Eddy is deeply devoted to life itself, full of inspiration and compassion for everyone.

I'm honored to have Eddy on our team and as New Home Generation, INC's. Mexico representative and distributor for our Manufactured Insulation Injected Panelized Wall Steel Framed Homes, Eddy is the authorized agent for Mexico empowered to introduce our home designs to interested parties.
